CLASSIC

CHAT BOARD® Classic inspires and facilitates creative dialogue between people and minds. Specially designed to help generate, visualise, organise and exchange ideas and information, it provides the perfect finishing touch in any office-, meeting- or breakout space.

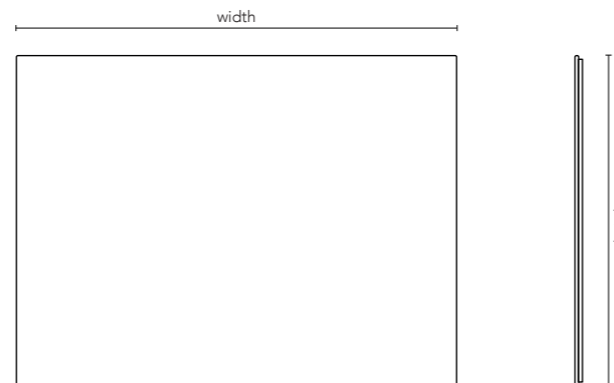

The design is sleekly elegant and deceptively simple; each element has a clear function and nothing is superfluous. And the smooth, magnetic glass surface offers the most satisfying writing- and drawing experience you'll ever have. Unrivalled in quality and durability, CHAT BOARD® comes with the added bonus of being easy to clean, helping to give it its long lifespan and making it the definitive replacement for any whiteboard.

CHAT BOARD® Classic is made with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners. It **can be mounted both horizontally and vertically** on the wall, easily changeable from one orientation to another, and is available in 14 standard sizes and 35 standard colours. In addition, it can be made to order in bespoke sizes, shapes and standard RAL and NCS glass colours.

Please contact our head office with any special requests: info@chat-board.dk

MATT

CHAT BOARD® Matt, like its glossier counterpart Classic, is the ideal tool for illustrating, sharing and communicating creative ideas and thoughts, as well as providing any kind of practical information in any imaginable workspace or domestic setting. What really sets it apart, however, is the elegantly matt, yet velvety smooth, surface, which ensures minimal reflection or glare. Equally easy to clean and maintain, the CHAT BOARD® Matt will remain a pleasure to use and look at for years to come.

CHAT BOARD® Matt is made with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners. It **can be mounted both horizontally and vertically** on the wall and is available in 10 standard sizes and 31 standard colours. In addition, it can be made to order in bespoke sizes, shapes and standard RAL and NCS glass colours.

ELEMENTS

CHAT BOARD® Elements offers the same advantages and high quality as our Classic magnetic glass boards, in an updated design with a slightly simplified edge- and corner finish. The clean, white glass surface provides the perfect backdrop for visualising and communicating ideas and information in meeting-, education- or brainstorming sessions.

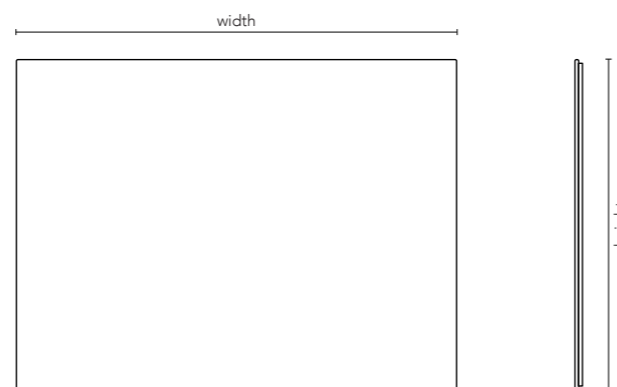

Focusing on function and individuality, we have left out the standardised board accessories in the Elements collection, giving complete freedom to choose exactly the CHAT BOARD® pens, erasers etc. which will perfectly match the individual project and the specific needs of the end-user.

CHAT BOARD® Elements is made with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth V edges and 90° corners. The standard colour is Pure White and the Elements boards are available in 6 standard sizes, which **can all be mounted both horizontally and vertically**. In addition, it can be made to order in bespoke sizes, shapes and standard RAL and NCS glass colours.

BUZZIFELT

CHAT BOARD® BuzziFelt is our wall-mounted, magnetic, felt-covered pinboard. Made with 6 mm 100% recycled P.E.T. felt it is also a sound-dampening panel, making it the ideal companion for our wall-mounted glass boards. Combined with i.e. CHAT BOARD® Classic these felt-covered panels can help turn any office wall into an ultra functional, multi-textured and dynamic surface.

CHAT BOARD® BuzziFelt **can be mounted both horizontally and vertically** on the wall and is available in 14 standard sizes and 5 standard colours. In addition, it can be made to order in bespoke sizes, shapes and colours.

PLANNER

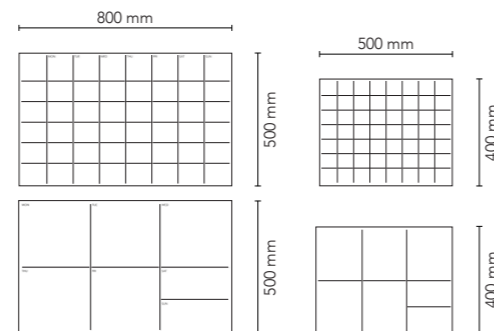

CHAT BOARD® Planner is the perfect, analogue planning tool for the office or home. With a „built-in“, digitally printed weekly or yearly planner grid, according to preference, it makes it both easy and fun to share and coordinate upcoming events, make a note of dates to remember and get a common overview of current and future plans.

CHAT BOARD® Planner is made with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners. Choose from 5 different sizes (2 x Week Planner / 3 x Year Planner), 5 colours and 4 languages (English, German, French or Danish), all included in the standard assortment, or have it specially made to order in other bespoke sizes, languages, schedules or standard RAL or NCS glass colours.

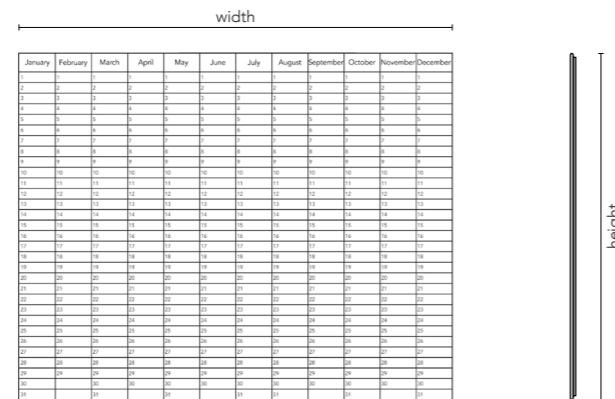

Please contact our head office with any special requests: info@chat-board.dk

GLASS

MOVE ACOUSTIC

CHAT BOARD® Move Acoustic seamlessly combines the signature magnetic and writable glass board with a class A acoustic panel in two perfectly proportioned movable room dividers, created to shape multi-functional and creative spaces within spaces. Perfectly finished in Remix or Remix Screen wool fabric by Kvadrat and featuring an ingenious, “stackable” cross-base, which allows you to store several units in even the smallest space, Move Acoustic offers style as well as substance without compromising on either.

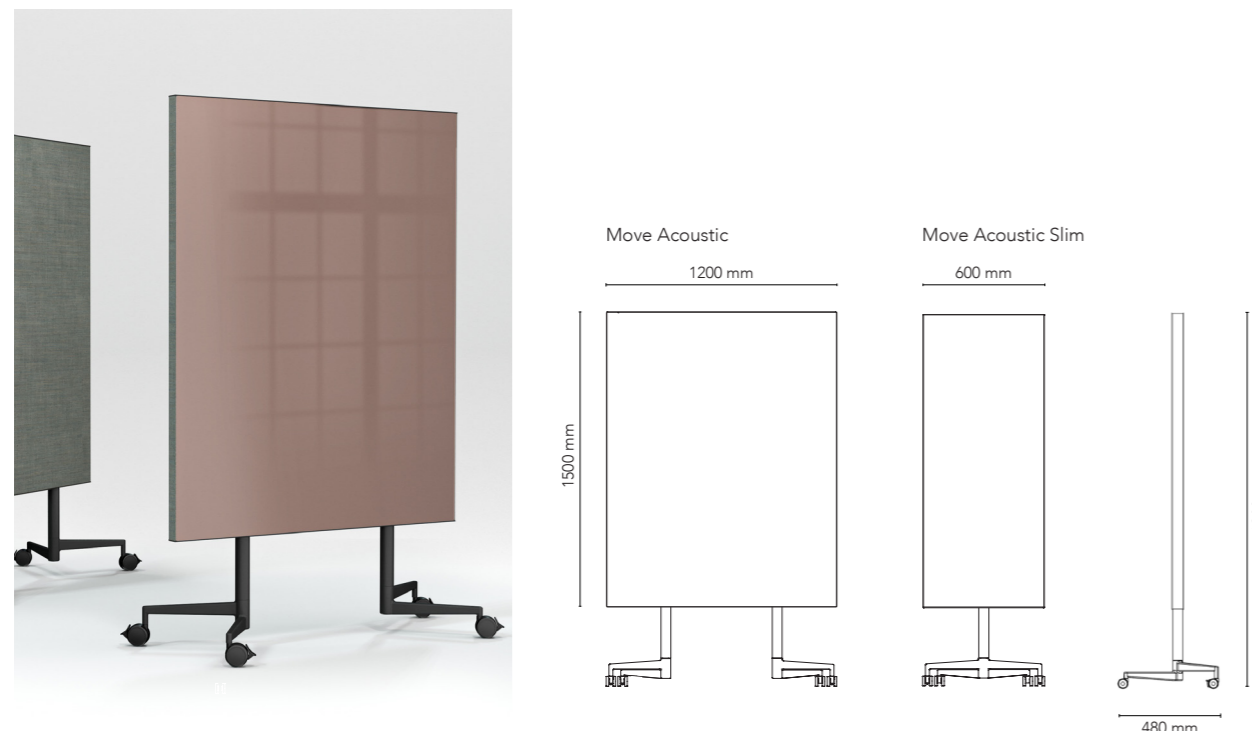

The writable glass surface is the ideal facilitator of free-flowing brainstorming sessions and provides the obvious focal point of shared ideas and information in the corporate conference room, open office space and classroom alike, while its high-performing acoustic panel ensures the balance in visual and auditory exchange.

Ensuring cost-effective and safe transportation, the wide version is delivered in two pieces and easily assembled on site.

The movable aluminium base is powder coated in RAL 9005 Jet Black and fitted with brake casters for added stability. The glass is 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners. The wide Move Acoustic comes in three different versions, including the option to replace the acoustic panel with a second magnetic glass board or an oak veneer covered panel. Both the acoustic panel- and the oak veneer version come prepared to be mounted with the TV bracket* of your choice (not included). Move Acoustic is available in 35 standard glass colours and can also be made to order in bespoke standard RAL or NCS glass colours. The standard assortment includes 6 Remix and Remix Screen fabric colours, but requests for alternative colours and varieties can be accommodated on demand.

*NB TV screen should not exceed dim. 50" / W 1110 x H 600 mm

SQUAD

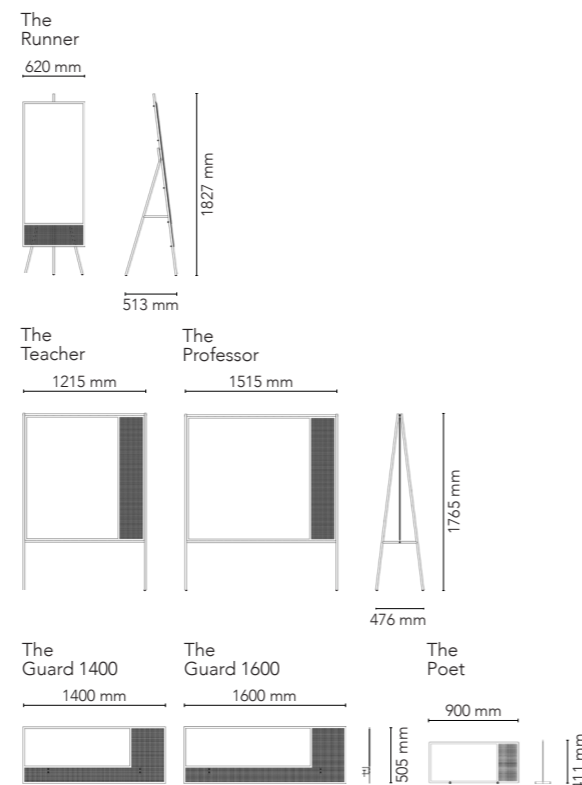

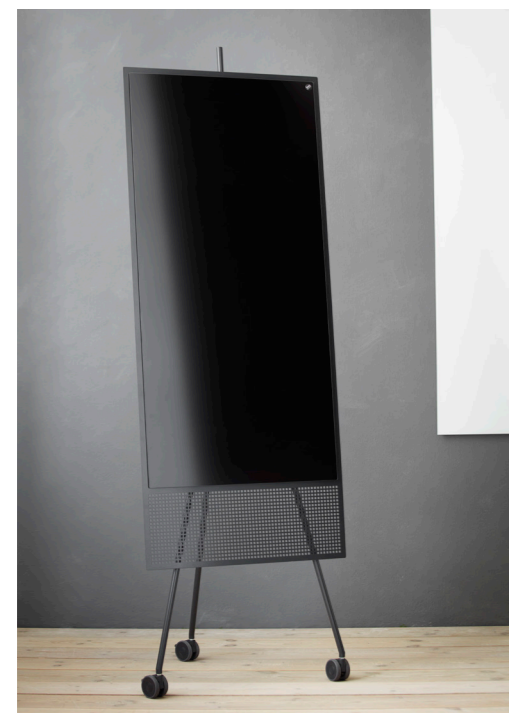

Seamlessly shaped in the Scandinavian tradition of form meeting function in perfect unison, every member of the CHAT BOARD® SQUAD offers the ultimate in effortless functionality and uncompromising aesthetics in a coolly contemporary and streamlined design by Swedish space planners par excellence, RUMRUM. The six-piece capsule collection is made up of three freestanding units, two attachable desk front screens and one self-supporting desk divider, all accompanied by their very own storage support team, the SQUAD Collectors.

The design is kept deliberately understated and minimalist. The lightweight, powder coated steel structures serve as elegantly simple, yet multifunctional frames for the writable magnetic glass surfaces of each of the SQUAD units. These are both contrasted and accentuated by perforated steel panels incorporated in the steel structure, boasting a clearly geometrical square pattern design. In SQUAD form equals function, and no feature is without purpose. The Collectors provide easily attachable, essential storage for pens and personal effects while creating an additional vertical pattern that is as individual as the user.

Designed and manufactured in Scandinavia, the SQUAD units are delivered flat packed and easily assembled on site, thus reducing both shipping costs and environmental impact.

The CHAT BOARD® SQUAD steel frames are powder coated in RAL 9003 Signal White or RAL 9005 Jet Black and are mounted with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners. They are available in 35 standard glass colours as well as 5 different BuzziFelt shades (to order on SQUAD Teacher and Professor). Bespoke glass colours (standard RAL or NCS) can be made to order upon request.

SQUAD SOLID

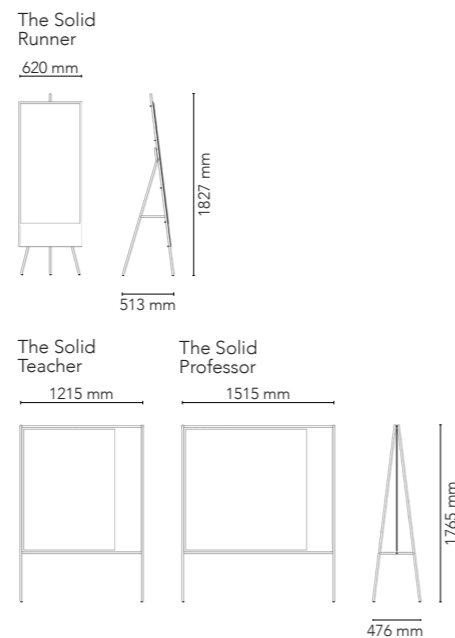

With CHAT BOARD® SQUAD Solid we have taken the SQUAD collection to the next level of accessibility and effortlessness. Peeling away any hint of excess, the design has been brought back to its essence, only to resurface in a core collection of pared-back pieces with full focus on their key function: providing the ideal starting point for creative expression and interaction.

SQUAD Solid is based 1:1 on the original designs, only reincarnated in clean-cut silhouettes with a strong, minimalist aesthetic approach. Boasting the same qualities and advantages as their counterparts, the three mutually complementing pieces join forces in this collection of flexible, freestanding units, all created to connect and separate as desired.

All SQUAD Solid units are delivered flat packed and easily assembled on site, reducing both shipping costs and environmental impact.

The CHAT BOARD® SQUAD Solid steel frames are powder coated in RAL 9003 Signal White or RAL 9005 Jet Black and are mounted with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners. They are available in 35 standard glass colours as well as 5 different BuzziFelt shades (to order on SQUAD Solid Teacher and SQUAD Solid Professor). Bespoke glass colours (standard RAL or NCS) can be made to order upon request.

MOBILE

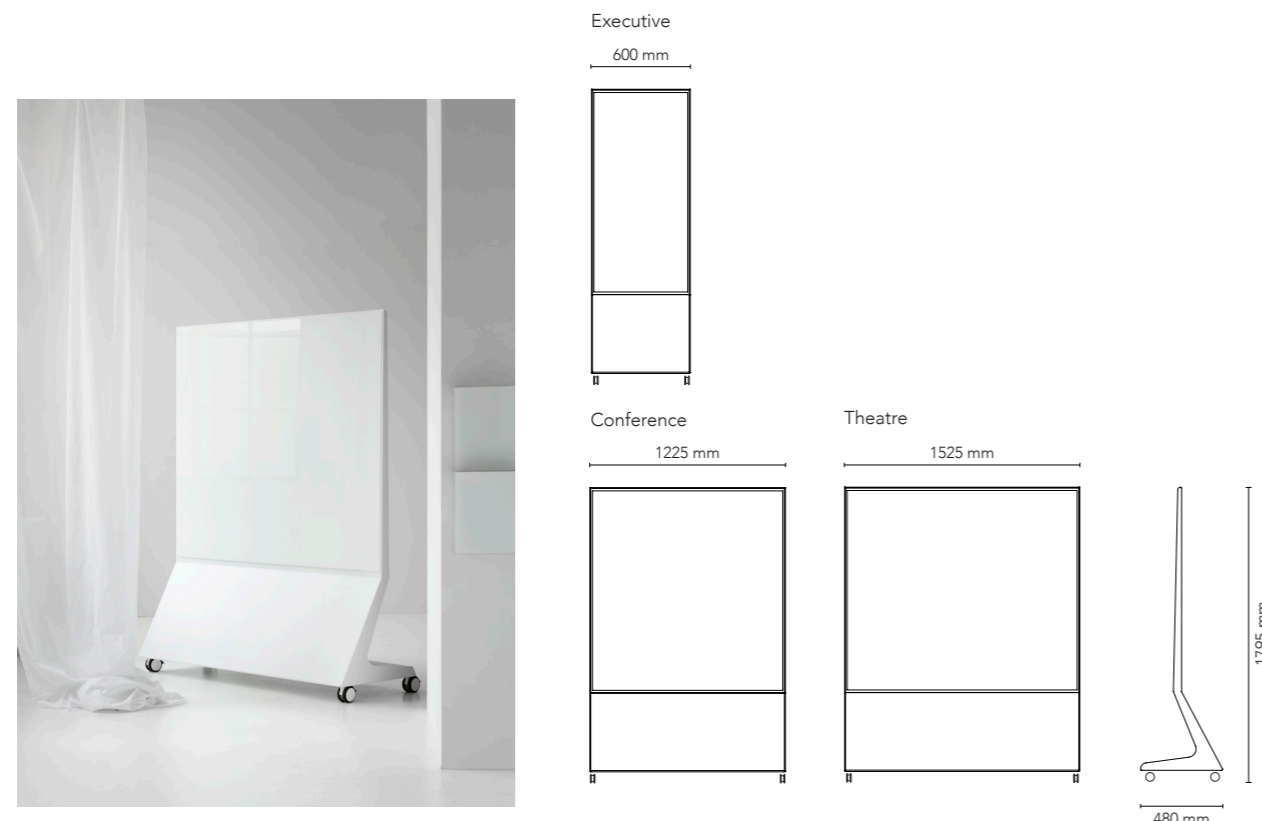

CHAT BOARD® Mobile provides the ultimate, multi-purpose solution for the dynamic workplace. With its ingenious design, sturdy construction and ultra-stable, yet easily movable, steel base it is virtually impossible to overturn, meaning there is plenty of room to get carried away in the creative process. Besides boasting one of our signature writable, magnetic glass boards on the front, the Mobile can also be fitted with a sound-dampening BuzziFelt pin board, or an additional magnetic glass panel, on the back.

CHAT BOARD® Mobile is made with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners. It is available in 3 standard sizes and 35 standard glass colours. In addition, it can be made to order in bespoke standard RAL or NCS glass colours, as well as in alternative RAL base colours, besides the standard Signal White RAL 9003.

Please contact our head office with any special requests: info@chat-board.dk

MIES COLLAB

Taking its cue from Ludwig Mies van der Rohe's immortal dictum 'less is more', the design language of the new CHAT BOARD & MILLION collaboration MIES Collab is kept deliberately stringent and minimalist. Seamlessly intersecting horizontal and vertical lines create a clear, architectural composition which is equal parts form and function, with a meticulously precise attention to detail. The glass tabletop nestles elegantly within the four corners of the frame, with a slight recess accentuating the contrasting juxtaposition of materials: the delicately smooth glass surface and the tactile softness of powder-coated steel. With just the right amount of industrial edge, MIES adds flexible and functional sophistication to any space, from the workplace to the family dining room.

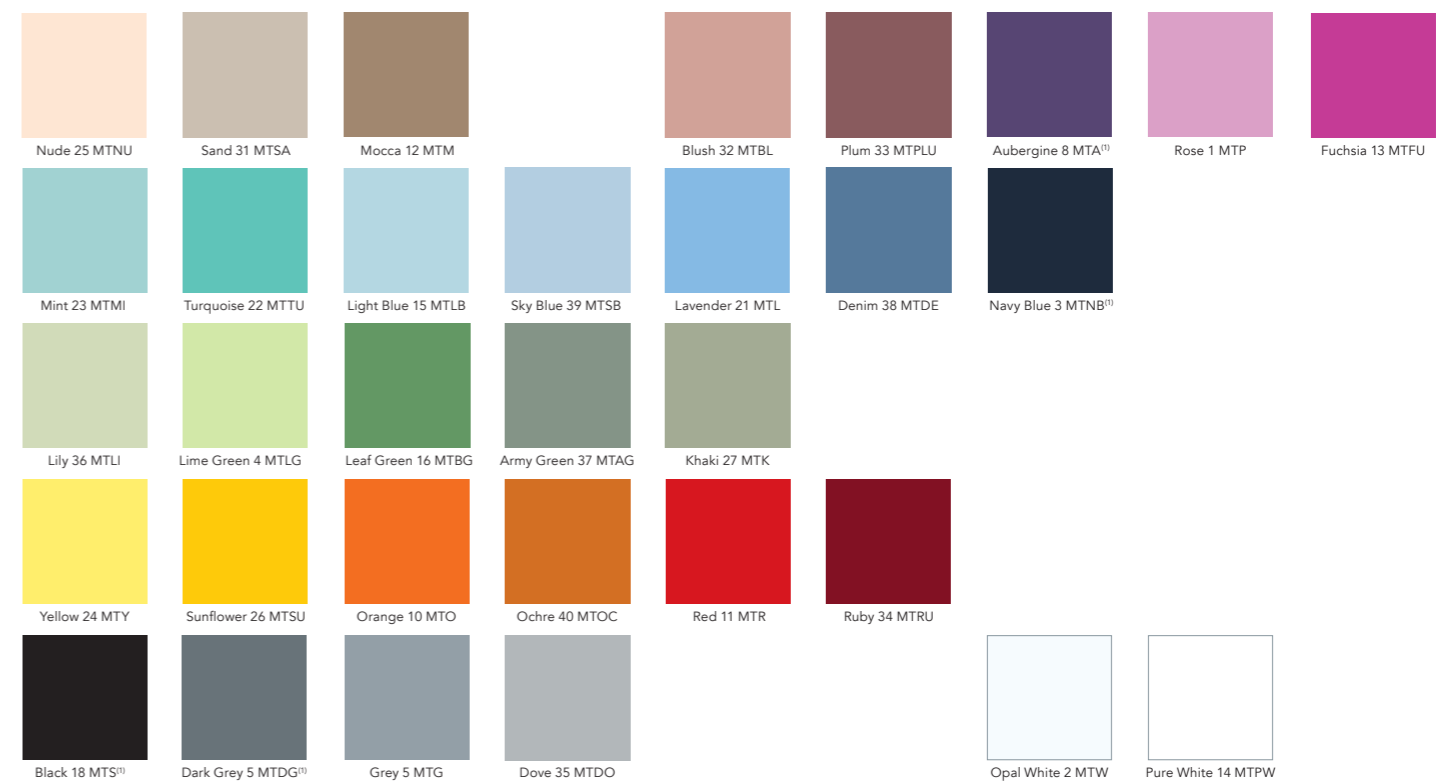

CHAT BOARD® MIES Collab is available in four different sizes: 3 work-/dining tables, and 1 high table. All four models come with a table top made with 10 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and radius corners. The table top is available in 32 different glass colours, while the powder coated steel frame is available in 2 colours: Signal White RAL 9003 and Jet Black RAL 9005. In addition, the glass table top can be made to order in bespoke standard RAL and NCS glass colours.

WARDROBE

CHAT BOARD® Wardrobe cleverly merges a functional and spacious wardrobe unit with a large, magnetic glass board. Continuing the clear, intentionally understated design aesthetics of the entire CHAT BOARD® collection, the signature glass board is here transformed into a stationary piece of furniture, lending a new dimension to its core purpose. Placed in a reception area, entrance hall or lobby, the Wardrobe is the perfect way to greet visitors or co-workers with a message of welcome, an illustration or any kind of useful information. At home it will soon become an indispensable part of daily life, as a practical storage space and an unmissable place for sharing last-minute messages, shopping lists and notes of future appointments.

CHAT BOARD® Wardrobe is made with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners. It is available in 2 sizes and 35 standard glass colours, including a mirror finish. In addition, it can be made to order in bespoke standard RAL or NCS glass colours.

Please contact our head office with any special requests: info@chat-board.dk

MAGAZINE RACK

Kill the clutter with the CHAT BOARD® Magazine Rack, our unique storage unit for all kinds of correspondence, documents, magazines, newspapers etc. Perfect for keeping all of those distracting desk piles at bay, the Magazine Rack is, with its writable glass surface, easily made personal, making it the obvious choice for open offices, common rooms and any other shared spaces. Designed by Peter Henriksen, it has a partly magnetic glass front and a specially designed steel frame, which makes it easy to mount several units together in succession.

CHAT BOARD® Magazine Rack is made with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners. It is available in 1 size and 35 standard glass colours. In addition, it can be made to order in bespoke standard RAL and NCS glass colours.

CAVE & SKETCH BOARD

Designed by SALTO & SIGSGAARD, in accordance with the distinctive aesthetic guidelines of our signature boards, but in a handy, lightweight and user-friendly format, the CHAT BOARD® Sketch Board is the personal board for sketches, notes and ideas. In meetings or moments of contemplation, it is the ideal alternative to a sheet of paper, note pad or sticky label. The smooth surface is perfect for visualising thoughts and ideas, effortlessly correcting and erasing as needed. At the end of a meeting or brainstorming session, it links individual ideas and notes with the bigger picture, as each personal board is clipped onto the larger team board. The timeless design is carried over into CAVE, the transport and display module which provides a secure home base for the glass boards. The streamlined design, clear functionality and tactile surfaces make CAVE, as well as Sketch Board, a true pleasure to use.

CHAT BOARD® CAVE is made with black stained ash, powder coated aluminium and steel (Jet Black RAL 9005), as well as BuzziFelt (100% recycled P.E.T. felt), in the choice of 5 different colours. The Sketch Boards are made with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners. They come in 35 standard glass colours and can also be made to order in bespoke standard RAL and NCS glass colours.

ACCESSORIES

PENS, MAGNETS ETC.

We offer a broad selection of sleek and functional accessories, designed to be used across the entire CHAT BOARD® collection while providing the best possible user-experience and making the most of each of our products.

All of our pens have been specially developed for use on glass, ensuring that writing and illustrations are clearly visible on the smooth surface. Regardless of whether you opt for the dry erase markers, which work best on boards in lighter colours, or our neon pens, which stand out against even the darkest background.

The CHAT BOARD® magnets are extra strong and specially developed to adhere through glass, while still being able to hold up to 15 sheets of A4 paper.

Make the most of your CHAT BOARD® product with one of our Starter Sets, each providing everything needed to get off to the best possible start. And with 9 different combinations available, each with a unique selection of pens, magnets and erasers, there is every opportunity to find the perfect pairing for your specific needs.

NB We recommend that you always use CHAT BOARD® pens and magnets with our products

MAINTENANCE GUIDE

Your CHAT BOARD® product requires minimal daily maintenance and by following these simple guidelines, it will look beautiful for years to come:

Glass

As a rule, we recommend cleaning the board using a CHAT BOARD® Eraser or a soft cloth, depending on how much writing/illustration needs to be removed.

Next, polish the glass with the CHAT BOARD® Cleaner, a window cleaning spray or regular rubbing alcohol.

NB

Never spray Cleaner directly on the writing/illustration as this will prolong the cleaning process, and make sure you always use a soft material such as paper towel - or our favourite: a microfibre cloth.

In case someone has accidentally used permanent marker on the glass, this can be removed with rubbing alcohol, after which the board will be ready to use as normal.

Kvadrat Remix & Remix Screen fabric

Nettoyage à sec professionnel au tétrachloroéthylène, procédé normal.

BuzziFelt

Vacuum clean regularly. Do not wash. Do not remove the BuzziFelt from the product. Treat spillages immediately. Professional dry clean or wipe clean with a pH neutral soap and a damp cloth.

GENERAL TERMS & CONDITIONS

CURRENCY & EFFECTIVE DATE

The present price list is valid from 01.04.2021 (1 April 2021) to 31.12.2021 (31 December 2021) and replaces any previous price list. All prices are in € Euros exclusive of VAT. We accept no liability for typos. Further, the terms and conditions below apply to all transactions where CHAT BOARD A/S (CB) is the supplier.

CONFIRMATIONS OF ORDERS

Orders are not final and binding until the buyer has received a written order confirmation from CB.

ORDER CANCELLATIONS & AMENDMENTS

Cancellations or amendments of orders will only be accepted for up to 3 working days after receipt of the order confirmation. After this the order is final and binding, and a handling fee will be applied upon cancellation.

DELIVERY

Belgium, Luxembourg, The Netherlands:

Free delivery DAP on orders above € 250 net.

For orders below € 250 net a freight cost of € 100 is charged

Please note that we reserve the right to bundle several orders together in one collected shipment. This will then be clearly noted on the order confirmation.

For smaller glass board orders (sizes 20cm x 30cm to 70cm x 70cm) a freight cost of € 50 per parcel is charged.

For accessories orders below € 70 net a freight cost of € 15 is charged.

Switzerland:

Free delivery DAP on orders above € 250 net.

For orders below € 250 net a freight cost of € 200 is charged.

Please note that we reserve the right to bundle several orders together in one collected shipment. This will then be clearly noted on the order confirmation.

For smaller glass board orders (sizes 20cm x 30cm to 70cm x 70cm) a freight cost of € 50 per parcel is charged.

For accessories orders below € 70 net a freight cost of € 15 is charged.

Other countries:

For countries not mentioned here, the prices are Ex Works prices Ballerup, Denmark.

For the countries listed above, delivery relates to islands connected to the main country.

All deliveries will take place at a standard warehouse of the dealer.

For deliveries to any other address the freight cost will be charged, regardless of the order amount.

COMPLAINTS

Complaints about damage during transport must always be entered on the consignment note at the first place of delivery (=the address on the CB delivery note), and CB must be notified hereof directly. Complaints about transport damage or defects must be submitted in writing no later than 3 days after delivery, together with clear photographic documentation of the damage (incl. a photograph of the pallet or box in which the goods were received). If the complaint is made in due time, and with the acceptance of CB, the buyer is entitled to demand a replacement delivery or to have the defect remedied. The buyer cannot demand a reduction or a compensation. Complaints/replacements can only be made to the dealer's address, unless otherwise has been agreed. The buyer /recipient must in case of a complaint always keep the original product and packing material until a case is closed, if not CB will not cover a replacement.

TERMS OF PAYMENT

Terms of payment are 14 days net cash from invoice date. Invoices are issued and dated when the goods are dispatched. In the event of late payment, i.e. later than the on the invoice stated due date, default interest is added subject to the provisions of the Danish Interest Rate Act, i.e. at a monthly rate equal to Danmarks Nationalbank's reference rate of interest +1%. Interest invoices are payable net cash within 8 days.

CB can decide that the buyer shall pay in advance: first orders and if the buyer's balance is or has previously been overdue, or if the order amount exceeds the credit limit approved by CB.

The products remain the property of CB until full payment has been made and any accrued expenses refunded.

WARRANTY

CB provides a five-year warranty on standard products against defects in materials and workmanship. The warranty does not extend to ordinary wear and tear.

TOLERANCES & CHANGES IN COLOUR OR NUANCE

Please note that minor scratches found on the back or front of the products are not considered as defects. Likewise, small and insignificant air bubbles or production related discrepancies in colour or nuance in the glass of different items are not considered as defects. Please note that such occurrences are due to normal manufacturing circumstances.

LIMITATION OF LIABILITY

CB will assume no liability for any loss as a result of delays, defects or any other breach of contract, unless such loss was caused by gross negligence on the part of CB. CB will assume no liability for any indirect loss, including loss of profits, operating loss, goodwill, loss of customers, running costs or any other consequential economic loss.

CHOICE OF LAW AND JURISDICTION

Any disputes between CB and the buyer shall be subject to Danish law, except for the international civil law rules of Danish law, and shall be settled by CB's home court.
